Students Speak Out

"I had a great time at Karen's "Fun with Masks" workshop. In addition to being an amazing artist, Karen is a wonderful teacher....she openly shares all of her techniques, be they based upon modern technology or those of the "Old Masters". Although I had never painted before, I was able to create a frame-worthy watercolour that I am very proud of. Thanks Karen!"
- Joanne D.

"Thank you for another outstanding watercolour class. I have really enjoyed being a student of yours for several years and look forward to continuing with you." - Susan B.

"Karen's work is terrifically realistic and she gave me lots of useful technical tips on achieving realism in my own work as well as a good feel for the medium of watercolour. I really enjoyed her classes and look forward to taking more."
- Robin H.

Watercolour Classes & Workshops Winter/Spring 2010

Watercolour Classes & Workshops – January to April 2010

Karen will share with you her painting experience and valuable insight, distilled from over twenty years of painting and selling her watercolours. She will guide you with personal attention in a supportive and structured environment.

Lessons are based around a series of ten-minute practical painting demonstrations, interspersed with your own painting time. This allows you to build your paintings in an easy to follow, step-by-step manner, using simple principles of design and colour theory.

Classes will emphasize the importance of strong value contrasts and colour mixing using primary colours, allowing you to execute dramatically realistic paintings in a fairly short period of time. Karen will supply the reference photographs for each class.

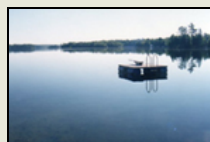

Karen's classes are designed for those who want enhanced coaching in watercolour techniques, so there is a maximum of four students per class. Students must be 18 or older. A 50% deposit is required to reserve your spot, with the balance due one week prior to the first class.

Call Karen if you have questions or wish to register at 905-985-7418. Visa, MasterCard, cash or cheque accepted. Materials list will be supplied upon registration or by request.

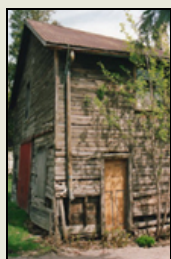

Cancellation Policy: In case you have to cancel your reservation up to one week prior to start of class, your payment (less a \$25 cancellation charge) can be applied to a future class. Cancellations after that point will result in forfeiture of your payment unless your spot can be filled with another student.
